

# Ahmad FX Team Investor Model

## Introduction

Hello!

I'm Meraj Ahmad, the founder of Ahmad FX Team. With over 5 years of dedicated experience in the Forex market, I specialize in XAUUSD scalping strategies. We're excited to introduce our new investor model designed to generate passive income for you.

## Value Proposition

Our model is designed around the following core principles:

- **100% Passive Return:** You don't need to do anything!
- **Consistent ROI:** Aiming for a 3.5%-5% monthly ROI, dependent on the lock-in period.
- **MT5 Real Account:** Trade execution is visible through MT5.
- **Risk Controlled:** Strategies are conservative to protect capital.
- **Not a Get-Rich-Quick Scheme:** Sustainable, long-term growth is our priority.

## Investment Plans

We offer flexible investment plans to suit your financial goals.

- **Minimum Investment:** ₹50,000

Choose the lock-in period that works best for you:

| Lock-in Period | Estimated Monthly ROI | Withdrawal Rules | Early Withdrawal Penalty |

6 Months	3%	Monthly	up to 18% of principal	
1 Year	4%	Monthly	up to 48% of principal	
2 Years	5%	Monthly	up to 120% of principal	

## Trust & Security

We prioritize the safety and security of your investment.

- **Real Trading:** Transparent execution through MT5.
- **Investor Agreement:** A formal agreement outlines our responsibilities and your rights.
- **Stable Monthly Profit:** Our strategies aim for consistent, reliable returns.
- **Official Communication:** All communication is conducted via our official email address and contact number.

## Experience

Our expertise includes:

- 5+ years of experience in XAUUSD and currency trading.
- Proven track record in money management.
- Robust risk management protocols.

## Why Trust Us?

We build trust through:

- Real trade execution on MT5 platform.
- An agreement-based investment model.
- Verifiable payout proofs.

## Our Vision

To build India's most trusted retail FX fund, with future expansion planned for Dubai and Singapore.
